## WORK EXPERIENCE

### Ambuway – App Development Startup (Ongoing)

- Under mentorship of Dr Geetanjali Rathi Ma'am, CSE Department, NSUT.
- Developing “Ambuway”, an app for Call of Project Proposals under University Social Responsibility.
- The app focuses on real-time location tracking and notifications for emergency medical services.

## PROJECTS

### Stoop Start – Preparing Legal Documents ([Link](#)) September-2022 to October-2022

- Created a project(prototype) to help new startups get legalized easily.
- Preparing legal documents is a repetitive and time-consuming task.
- This project cuts all the repetitive work from the user and at the end prompts the user with the desired files.

### Catalog App ([Link](#)) June-2023 to July-2023

- It is a flutter-based catalog app used for shopping.
- It helps the user to get the data about the items available and to order them online.
- Tech used – flutter.

## ACADEMIC ACHIEVEMENTS AND AWARDS

- Secured AIR **4111** in [JEE Main](#) 2020 out of total **9 lakh** candidates.
- Secured AIR **7637** in [JEE Advanced](#) 2020.
- Secured AIR **1349** in [KVPY](#) 2019-20.
- Solve **600+** questions on [LeetCode](#), [GFG](#) and [Code Studio](#) combined.
- [Google Hashcode](#): Scored **1744056** points with a rank of **2006 Globally** in Google Hash Code Qualification Round 2022. It is a team-based competition.

## EXTRA CURRICULAR ACTIVITIES

- Former Zonal Level Cricket Player.
- Former Zonal Level Football Player.

## TECHNICAL SKILLS

- Programming Languages: C, C++, HTML, CSS, Python, Flutter

## COURSE WORK

OOPs | Data Structures and Algorithms | Operating System | Artificial Intelligence
